

WALL MOUNT OPEN FRAME SERIES

Basic Unit

Basic with Top/Bottom cover 6U

Basic with Top/Bottom cover 4U

WALL MOUNT OPEN FRAME

The ideal solution for cable and patch panel installations, our wall mount open frame series is both a space and budget saver. The open architecture and hinged front mounting angle allow for maximum access

Features

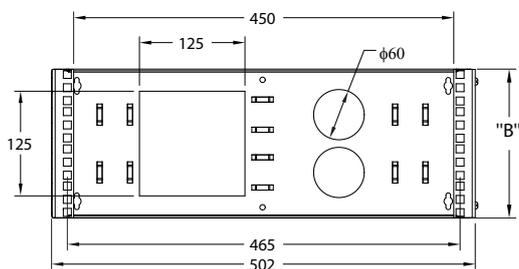

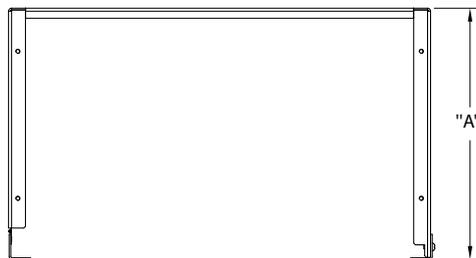

- Simple and fast installation
- Hinged front 19" rail for convenient equipment integration
- Load tested to 18 kg
- Ample cable access openings at rear and side
- Large cut out at rear panel fits over wall power points
- Numerous cable tie off points provided
- Optional cover and base panel are available

Our Standard Configurations

- Heights: 2, 4 and 6U
- Depths: 100, 200 and 300 mm
- Color: Low gloss textured black
- Packing can be bulk packed or kitted

Industry Standards and Materials

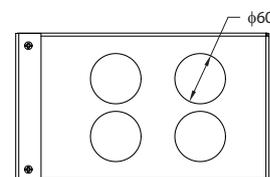

- Dimensions conform to EIA-310E and IEC-60297-1, 2.
- Premium grade cold rolled steel.
- Designed and manufactured under ISO 9001:2008 and ISO 14001:2004
- Five stage iron-phosphate pretreatment with powder coat finish. Tested to 500 hours salt spray under ASTM-D610-01 and ASTM-B117.
- All materials RoHS compliant.
